Why a river cruise?

TRULY IMMERSIVE & ALL-INCLUSIVE

Dine on a medley of five-star, locally-sourced cuisine, accompanied by included premium spirits and wine.

From airport transfers and onboard gratuities to immersive excursions, every detail is taken care of.

BOUTIQUE SHIPS

Floating boutique hotels purposefully designed with every luxury and comfort in mind.

With many public spaces onboard, and an average capacity of 120 guests, there's plenty of room to socialise with others or just relax by yourself.

COMMITMENT TO HEALTH & SAFETY

The small size and high crew-to-guest ratios of our ships mean they are thoroughly cleaned regularly and often.

Travelling by river means you are always close to land, allowing for immediate access to shoreside resources.

UNMATCHED CONVENIENCE

Get an up-close view of the best sights and lesser-known locales in Europe, South America, Vietnam & Cambodia, Egypt and India.

Dock in the heart of great capitals and quaint villages that are unreachable by ocean ships.

There's no waiting in long lines to get on or off your ship.

You'll travel with ease when you only have to unpack once.

CONNECT & STAY CONNECTED

Unencumbered by large crowds, you'll effortlessly meet people who share your passion for travel and exploration.

With shipwide Wi-Fi, you'll stay connected with loved ones back home across all of your devices.

HISTORY OF HOSPITALITY EXCELLENCE.

The story of our guiding visionary.

From the moment you step onboard our one-of-a-kind award-winning ships, you notice the Uniworld difference. The spirit of hospitality that follows you your entire journey is the result of our guiding visionary, Bea Tollman. Bea is the creative mind behind our luxury, floating boutique hotel experience and her personal touches can be found everywhere—from the distinct design of our ships, the recipes for our locally sourced cuisine and the unmatched staff attentiveness. She has been honoured for a lifetime of achievement in hospitality, including an induction into the British Travel and Hospitality Hall of Fame. We're proud to follow her commitment to luxury.

"I wanted something different for our guests. I knew that there was this vision inside of me and I set out to create it."
— Bea

DESIGNED TO INSPIRE

Bea has helped design our ships to reflect the rivers they cruise on, with bespoke themes, colour palettes, original art and personally selected furnishings. Step onboard one of our floating boutique hotels and get a sense of her heart and love of hospitality in every room.

A NOURISHED PALATE

Much of the attention to detail you'll find onboard started in the kitchen. A temporary solution to help her husband, Stanley Tollman, with their first hotel paved the way for a life in food, later translating into the many delicious dishes and culinary feasts that have become a cornerstone for Red Carnation Hotels and Uniworld Boutique River Cruises alike.

A SPIRIT OF SERVICE

To this very day, Bea remains hands-on. Over the years, she's instilled many of her core values into how we interact with our guests. Whether it's remembering exactly how you like your cocktail prepared, ending every exchange with a cheerful grin or surprising you with a thoughtful treat, Bea and her family have created a legacy of providing unforgettable experiences.

FOLLOWING IN THE CREATIVE FOOTSTEPS

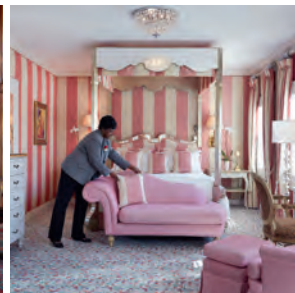

of The Red Carnation Hotel Collection.

Boutique hospitality, unmatched service and a dedication to going above and beyond for our guests are embedded in our DNA—we're the only cruise line to also own and operate a collection of luxury boutique hotels. Uniworld is modelled after our sister company, the five-star **RED CARNATION HOTELS**, and we've been able to tap into their more than 100 years of experience and bring their knowledge and expertise to the rivers.

Thanks to their words of wisdom, we employ our own full-time staff, both onboard and onshore, and don't outsource any elements of your cruise to third parties. When you travel with Uniworld, you know exactly what you'll get, each and every time.

THE MOST PERSONAL SERVICE

compliments of the most tenured crew on the rivers.

We treat our staff and guests like family—a philosophy instilled in our company culture as a family-owned business. This philosophy, rooted in the Tollman family’s long-standing involvement in the hospitality industry, is the driving force behind our guest-centric atmosphere. And it’s the reason you leave your cruise feeling like part of the family.

It’s also why each detail carries the same weight. **“NO REQUEST IS TOO LARGE, NO DETAIL IS TOO SMALL”** comes to life in the interactions we share with our guests. Your river cruise is focused on a singular goal: to give you the unique and unforgettable experience you seek, with the personalised, industry-leading service you deserve.

Every guest receives our full attention, with an incredible guest-to-staff ratio of 2.3 to 1 (one of the best on the rivers), unmatched attention to detail and in-suite butlers trained to the same standards of excellence required by Buckingham Palace—*because everything worth doing, is worth doing well.*

AN ARTFUL PRESENTATION

of delicious farm-to-table cuisine.

WE'VE HONED OUR CRAFT

Our culinary philosophy is ever-evolving, designed to appeal to the discerning palates of international travellers, with a variety of traditional dishes, inspired contemporary flavours, delicious healthy dining options and comfort cooking. From breakfast to lunch and dinner, each meal is carefully crafted exactly to your tastes.

OUR RECIPES, CATERED TO YOU

For those interested in healthier dining options, our Travelling Lite menu features all the flavour of our traditional menu, but with fewer calories. We also offer a variety of vegetarian, vegan and gluten-free options, prepared just for you. If you have a specific meal preference or desire, just ask.

ENDLESS POURS

With every meal, you can enjoy a choice of featured fine local wines, selected by our onboard sommelier and grown and bottled directly from the regions you visit. Or enjoy a glass from Uniworld's own award-winning vineyard, Bouchard Finlayson, proudly served on every ship.

FOOD BRINGS US TOGETHER

You may find that sharing a meal while in the company of fellow guests is one of the most rewarding parts of your onboard dining experience. When like-minded travellers dine in each other's company, they'll explore new cultures and traditions, *together*.

"I doubt that I will ever sail on any ship that is not with Uniworld Boutique River Cruises. The ship and accommodations were first class. The ship's crew was friendly and very helpful. The intimacy of the ship was such a wonderful experience."

— John R. Schmidt

ONE-OF-A-KIND, AWARD-WINNING SHIPS

inspired by their destinations.

The ships in our fleet are passion projects, through and through. Every unique design scheme and piece of art—the structure, the intricacy and the handcrafted items—is lovingly assembled to be a masterpiece in and of itself. To step onboard is to step into a world where the beautiful colours and one-of-a-kind details of your destinations come to life.

OUR COMMITMENT TO ELEVATING LUXURY RIVER CRUISING.

What it takes to elevate luxury river cruising.

Ten years ago we redefined the term “unsurpassed luxury” when we launched the first Super Ship—the *S.S. Antoinette*. With custom décor that brought the Rhine region to life onboard, this ship completely transformed the standards of river cruising. We continue to launch new Super Ships with each passing year as we work towards transforming our entire fleet, delivering the absolute best experience in river cruising.

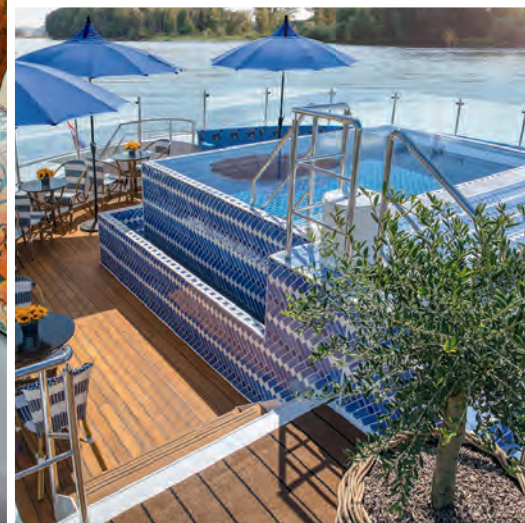

Our Super Ships are the new picture of elevated luxury. It’s the one-of-a-kind design that Uniworld represents, with more suites, more dining options and more luxurious tiny noticeable touches throughout.

Uniworld guests have 10 extraordinary Super Ships to choose from, including the newest to our fleet—*S.S. Sphinx* in Egypt, *Mekong Jewel* in Vietnam and Cambodia, *S.S. La Venezia* in Italy and *S.S. São Gabriel* in Portugal.

This commitment to always operating the best ships on the rivers is why we’re consistently voted the World’s Best Luxury River Cruise Line. It’s a commitment we’ve had since the beginning—and one we’ll always have. Here’s to another year of delivering the World’s Best in river cruising. We’ll see you onboard.

The background of the entire page is a photograph of a highly ornate, classical-style interior. It features multiple levels of arches, intricate carvings, and several large statues. In the upper section, there are two prominent arches containing frescoes or paintings of figures. Below these, there are more arches and columns. The lighting is warm and dramatic, highlighting the architectural details. In the lower half of the image, a group of people is gathered in a large, open space, possibly a museum or a grand hall. A man in a light-colored shirt and dark pants is pointing towards a large, white marble sculpture of a muscular man wrestling a lion. The sculpture is set on a raised platform. Other people are standing around, looking at the art. The floor is made of large, light-colored tiles. The overall atmosphere is one of historical grandeur and cultural richness.

S.S. BEATRICE

S.S. BEATRICE ELATES AND ASTOUNDS. The designers from Red Carnation Hotels worked their creative magic on *River Beatrice*, transforming her into the dazzling *S.S. Beatrice* in 2018. This jewel of a ship graces the waters of the **DANUBE RIVER**, boasting yacht-like finishes and splashes of nautical hues throughout, a stunning lobby featuring elegant mirrors, marble floors, a white Murano chandelier with blue shades and a grand staircase made of nickel and black iron.

The design inspiration began with 14th-century blue and white Chinese export porcelain and the Dutch derivation known as Delftware, merging ancient tradition with the modernity of blonde wood and polished nickel accents—resulting in an interior that is luxurious yet timeless. Her lounge features sofas and chairs with handmade upholstery by esteemed design houses, a parquet floor and innovative new touches like solar shades. *S.S. Beatrice* creates enhanced dining and culinary experiences by offering four unique venues, all inspired by famous Austrian composers.

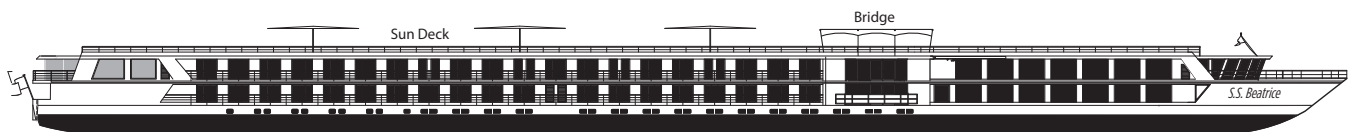

Artwork throughout this ship include original pieces by Pablo Picasso, Alexander Calder and Pino Signoretto. From stem to stern, she is magnificent.

S.S. MARIA THERESA

SHE EXUDES THE SOPHISTICATION AND RESPLENDENCE OF ROYALTY. This splendidly elegant ship cruises along the **DANUBE RIVER** boasting ultra-luxurious accommodations fit for Empress Maria Theresa herself. As a tribute to the only female ruler in the House of Habsburg, a 10-foot-tall, specially commissioned portrait of **S.S. MARIA THERESA'S** namesake hangs in the two-story foyer. She was voted "Best New River Ship" by *Cruise Critic* in her maiden season, and for good reason.

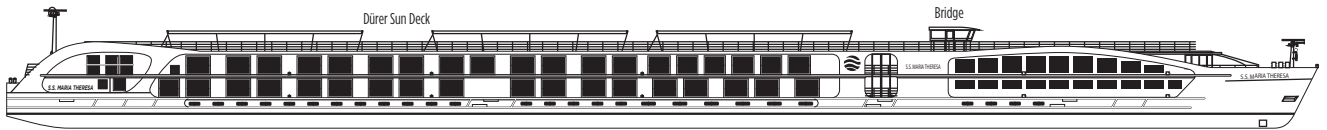

Thoughtful personal touches abound, including sumptuous décor inspired by the period in which Maria Theresa reigned. Travel like royalty as you cruise the Danube surrounded by opulent silk-clad walls, a specially commissioned Murano glass chandelier in the lobby, luxurious window treatments, eye-catching patterns in every room, hand-painted coronets and a mosaic-tiled enclosed swimming pool. Original artwork throughout includes works by Frederik Bloemaert, a famous Dutch engraver and printmaker.

S.S. ANTOINETTE

LAYER UPON LAYER OF LUXURIOUS FEATURES STRETCH IN EVERY DIRECTION. The bright and vibrant **S.S. ANTOINETTE** sails the **RHINE RIVER**, with accents that will leave you impressed. Take her Venetian glass mirrors, stunning marble bathrooms, enclosed pool, onboard cinema dressed in vintage movie posters, *L'Orangerie Sky Lounge* and gorgeous two-story foyer, for example. The foyer's focal point? A stunning 3-metre Strauss Baccarat chandelier with sapphires that once hung in Central Park's famous Tavern on the Green restaurant.

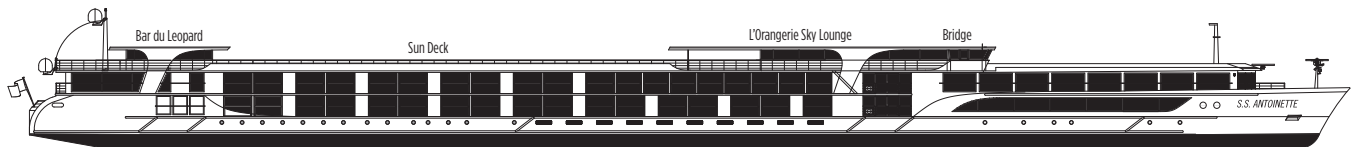

S.S. *Antoinette's* dining room boasts a custom ceramic mural painstakingly designed by artist Jane du Rand. Her bespoke creations adorn the walls of hotels, spas, public spaces and our personal favourite—several of our ships. Step into the ship's *Restaurant de Versailles* for a look at her mural, reminiscent of the grand gardens of French châteaux in the 1700s. Jane du Rand lives by the motto that “everything worth doing is worth doing well” and S.S. *Antoinette* embodies exactly that.

RIVER QUEEN

SHE LOOKS BLISSFUL IN BRILLIANT SHADES OF BLUE.

Embrace the royal treatment as you set sail on one of the most classic and unique ships on Europe's waterways, **RIVER QUEEN**. Arguably one of the prettiest ships along the **MAIN, MOSELLE AND RHINE RIVERS**, she turns heads with her 1930s steamship-inspired exterior and captivating Art Deco interior.

With a white and blue colour scheme, richly decorated fabrics, the only functioning fireplace on the rivers and original art by Henri de Toulouse-Lautrec and Georges Goursat, you are sure to enjoy the views inside and out. It's no wonder she was rated the "#1 Ship" in the entire industry in the 2012 *Condé Nast Traveler* poll. All in all, *River Queen* is the perfect way to explore the region's iconic cities and gorgeous landscapes.

Original art includes works by Pablo Picasso, Joan Miró, Marc Chagall, Henri Matisse and other greats, including Henry Dawney's cheerful painting, "The Drawing Room," which currently resides in the *Captain's Lounge*. S.S. JOIE DE VIVRE

THE CRÈME DE LA CRÈME OF NORTHERN FRANCE.

S.S. JOIE DE VIVRE effortlessly celebrates all things French, bringing “Paris into colour”—as Stanley Tollman, founder of The Travel Corporation, affectionately noted in his original design brief. Toni Tollman, the creative visionary behind Red Carnation Hotels and Uniworld, along with the rest of our design team, drew inspiration from the elegance of Paris from the 1930s to the 1950s, weaving in playful accents reminiscent of her favourite French designers.

This fantastically French Super Ship is truly the embodiment of the “joy of living” as she cruises along the **SEINE RIVER**. *S.S. Joie de Vivre’s* attention to detail is unmatched, with fabrics and upholstery from the Tollman’s historical archives, as well as some of the most esteemed design houses in Europe. Throughout the ship, you’ll find a number of original linen posters dating between the 1860s and 1940s, and *Le Salon Toulouse* showcases 64 pictures depicting Paris in 1861 in a series known as “Paris dans sa Splendeur.” Additional artwork throughout the ship includes works by Georges Goursat, a famed cartoonist from the early 1900s and one of Toni Tollman’s favourites.

S.S. BON VOYAGE

A SHIP THAT PERSONIFIES THE BRILLIANCE OF BORDEAUX.

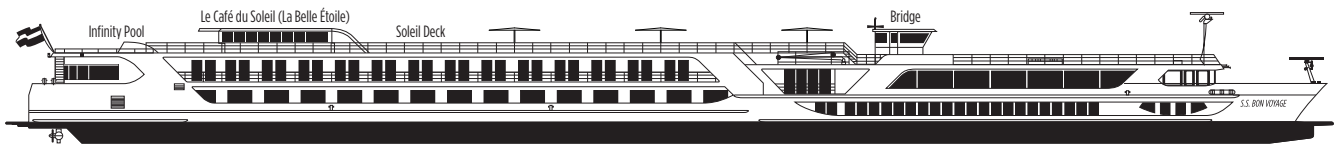

After undergoing an extensive stem-to-stern transformation, *River Royale* reemerged along the **DORDOGNE AND GARONNE RIVERS** as **S.S. BON VOYAGE** for the 2019 sailing season. S.S. Bon Voyage was inspired by the region's historic surroundings and the incredible wine and gastronomy that Southwest France is known for—complete with a design scheme that showcases just that, as well as several enhanced culinary experiences onboard.

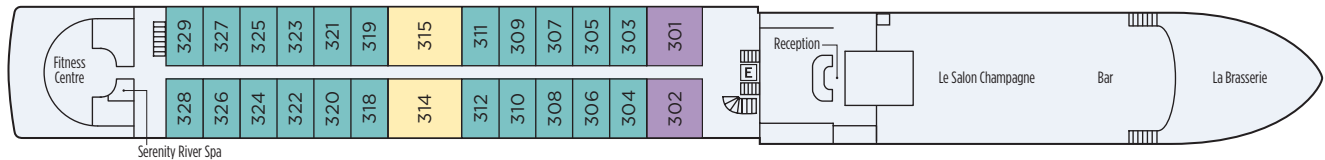

As a nod to France's culinary prowess, S.S. *Bon Voyage* features two dining venues, *La Brasserie* and *Le Café du Soleil* (known as *La Belle Étoile* at night). Nestled discreetly at the ship's bow, *La Brasserie* pays homage to Paris' renowned Bouillon Pigalle restaurant, with its charming blue and white décor, and serves classic French fare. *Le Café du Soleil* flanks the newly installed infinity pool, offering up poolside service and open-air cooking demonstrations from specialist chefs. Her stunning lobby reveals polished wood with subtle brass detailing that complements the handcrafted balustrade. *Le Salon Champagne* boasts specially commissioned sofas and jewel-coloured stripes that echo the styling in Yves Saint Laurent's very own home.
